FEATURES**Disclaimer**

The features of each book or program were developed by the publisher and do not

Content

Komm mit! Level 1, the first of a three level program that offers an integrated approach to learning. The Komm mit! format allows students to achieve success and will appeal to all types of learners. Presentation and practice of functional expressions, vocabulary, and grammar structures are interwoven with cultural information, language learning tips, and realia to facilitate learning and teaching. Erste, Zweite, and Dritte stufen are the core instructional sections where most language acquisition will take place. The communicative goals in each chapter center on functional expressions presented in So sagt man das! boxes and are supported by material in Wortschatz, Grammatik, and Ein wenig Grammatik sections. Activities following these features progress from controlled to open-ended practice where students are able to express themselves in meaningful communication. Culture is integrated via the location opener that precedes every three chapters.

Student Experiences

Komm mit! encourages students to actively learn German and to understand culture. The Video Program/DVD Tutor, Interactive Tutor, and Online Editions bring the language and culture to life for students through diverse, interactive technology. In the Student Edition, each chapter is set somewhere in the German-speaking world where students see a slice of life from that location and then internalize the experience via engaging, thought-provoking activities. The Ein wenig Landeskunde feature in every chapter gives students insight into the culture while Landeskunde introduces students to people from different countries who talk about topics related to the chapter

Assessment

Komm mit! offers assessment options that address different needs. All test activities are related to the chapter theme and direction lines provide a context for each test activity. The Assessment Program consists of two quizzes per chapter per chapter, chapter tests that are skills-based and assess the material presented and practiced in the entire chapter, speaking tests for each chapter, midterm and final exams, and alternative assessment:

Organization

Every three chapters is preceded by the location opener, which introduces a new location and the culture of that location. Erste, Zweite, and Dritte stufen are the core instructional sections which feature: functional expression boxes entitled So sagt man das!, Wortschatz, Grammatik, and Aussprache sections. Activities immediately following these features are designed to practice recognition or to provide close-ended practice with the new material. Activities then progress from controlled to open-ended practice where students are able to communicate. Zum Lesen reading sections feature authentic German documents and literature and feature reading strategies. Throughout the Student Edition, students have multiple opportunities for test preparation, including additional grammar practice, Mehr Grammatik, and a four skills review, Anwendung, after every chapter. Within the review section is Zum Schreiben, which focuses on the student's writing skills. The majority of Chapter 11 is review while Chapter 12 is a full review chapter. The consistent format of this program allows students to gain the confidence necessary to learn a new language.

Research Data and Evidence of Effectiveness

Disclaimer: The research data and evidence of effectiveness was provided by the publisher and does not reflect the opinion of the State Review Team, State Textbook Commission, or the Kentucky Department of Education

Note: Please complete this section by indicating the research data and evidence of effectiveness, or give a web site where the information is located. If there is no research data and evidence of effectiveness, please indicate "not available".

Research Available Yes If yes, provide information below.

Fundamental to HOLT, RINEHART AND WINSTON publishing philosophy is the involvement of students and teachers in the development and maintenance of its educational programs. In developing this program, Research and Curriculum, editorial and consultant staff conducted observations, interviews, and reviews with teachers representing a diverse ethnic and socioeconomic background in various and diverse states. Performance effectiveness was monitored through surveys to product users, as well as by collecting appraisal statements from students and teachers, reports from field consultants and sales staff, and attitudinal surveys. A complete Learner Verification Report is available upon request

Disclaimer: Comments on the strengths and/or weaknesses of each book, material or program were written by members of the State Textbook/Instructional Materials Review Team and reflect their opinions. They do not reflect the opinions of the State Textbook Commission nor the Kentucky Department of Education. In addition, the State Textbook/ Instructional Materials Review Team completed each evaluation form during the week of July19-23, 2004. In order to maintain the integrity of the of the review team's comments, editing was limited to spelling and punctuation.

Recommended YES

Publisher's Explanation of Reviewer's Comments:

Technology Strengths

on CD-ROM: easy to install and to add student names

Technology Weaknesses

On CD-ROM: Although it is easy to install names, it is time consuming to add each student and to come up with passwords; time spent on each item was not kept.

Instruction & Assessment Strengths

all four language skills are addressed throughout.

Instruction & Assessment Weaknesses

Some of the assessments within the books are not very clearly described. Grammar is addressed, but not in depth.

Organization & Structure Strengths

Same format is used throughout, which helps get pattern down.

Organization & Structure Weaknesses

Many of the pages look just alike, which may cause a lack on interest with students.

Resource Materials Strengths

The many different supplemental materials give a little bit for everyone.

Resource Materials Weaknesses

it is some what awkward to go through each of the different items, although the One-stop planner and lesson planner do help that.

Technology Comments

Student records are kept, but time spent on activities is not show. Students can also choose which activities that they would like to do, but the activities are the same for each person. Sound can only be controlled through the computer system itself.

2	Allows customizing for individual learning needs
4	Allows Students to exit and resume later
3	Keeps student's performance record, where needed
3	Allows control of various aspects of software (sound)
4	Allows printed reports

Presentation/Interface

4	Presents material in organized manner
4	Consistent, easy-to-use, on-screen instructions
4	Developmentally correct presentation/ format
3	Adapts to different learning styles/multiple intelligences
3	Accessible for special needs students
3	Runs smoothly, without long delays
4	Easy-to-view text and graphics
4	Easy-to-hear and understand sounds
3	Avoids unnecessary screens, sounds, and graphics
3	Provides immediate, appropriate feedback

Rating Scale: 0-Not applicable; 1-None of the time; 2 Minimally; 3-Some of the time; 4-Most of the time

3	Presentation/Interface Comments
---	---------------------------------

<i>Rating</i>	<i>Strength</i>	<i>Weakness</i>
Identifies a Sense of Purpose		
4	definite sense of purpose is shown	
Provides Guiding Questions and Instructional Objectives		
3	definite sense of purpose is shown	
Develops and Builds on Student Ideas		
3	For the large majority of time, the students' previous thoughts are incorporated into what is being learned.	often, the leading questions for the inquiry into student ideas is in the teacher's manual, which may be overlooked.
Encourages student to become an independent learner (performer, creator, speaker)		
3	additional exercises are given if the student wants additional work.	the way that the grammar is presented does not lead them to easily be able to learn on their own.
Assesses Student Progress – Commonwealth Accountability Testing System (CATS) “like” Assessment is provided. Variety of Assessments (diagnostic, formative, Summative, open response, multiple choice, individual, small group, oral demonstrations, presentations, portfolio prompts) is included, Performance assessment opportunities are also included.		
4	throughout the various resource materials (assessment books, alternative assessment, communication activities), many different forms of assessment that are CATS like are given.	the assessment is not very strong on items such as grammar to the degree that many feel is needed.
Enhances the Learning Environment		
4	the book allows for a variety of activities that engages a variety of students.	
Reading level appropriate for interest and ability level of intended student group; level remains consistent throughout		
3	reading level is appropriate for the level. It does increase in German levels throughout as the vocabulary grows.	the reader may be too advanced for many students to use it successfully. It would give the students a lot of dictionary practice, as they would have to look up a lot of words (a downfall).
Includes activities and opportunities for integration of technology		
4	Internet activities are given often as well as the CD-ROM program	

Rating Scale: 0-Not applicable; 1-None of the time; 2 Minimally; 3-Some of the time; 4-Most of the time

<i>Rating</i>	<i>Strength</i>	<i>Weakness</i>
Reflects research-based practices (e.g. hands-on activities, technology, problem-solving situations) engaging students and promoting student thinking		
4	material does have researched based practices	
Is aligned to the Program of Studies and Core Content for Assessment		
4	many chances are given for writing, even at this beginning level.	
Includes opportunities for writing (reviews / personal response / reflection)		
4	Each chapter has multiple chances for writing	

<i>Rating</i>	<i>Strength</i>	<i>Weakness</i>
Language skills (listening, speaking, reading, writing) balanced and integrated within each lesson.		
3	All the skills are integrated with the lesson	Reading in German is somewhat limited in program, although through the reader
Students are given opportunities to communicate in target language in contextual, meaningful, and authentic situations for interpersonal, interpretive, and presentational modes/purposes.		
4 Scale	Many opportunities are given, often giving more than one activity to practice the same skills	
Materials provide opportunities for students to express basic needs, basic courtesies, states of being, likes and dislikes, and agreements and disagreements. (WL – 1.1.B1)		
4	Students are given the chance to express these items.	Students are given the chance to express these items.
Materials provide opportunities for students to respond to one-on-one interactions, simple questions and simple requests. (WL – 1.1.B2)		
4	One on one interactions are given.	
Materials provide opportunities for students to incorporate appropriate gestures in conversations.		
2	Some are addressed	This topic is not addressed in a large degree. Items such as language and distance could be addressed more.
Materials provide opportunities for students to create descriptions within contexts. (WL – 1.1.B6)		
4	Many chances are given for students to create descriptions (both orally and written)	

Rating Scale: 0-Not applicable; 1-None of the time; 2 Minimally; 3-Some of the time; 4-Most of the time

<i>Rating</i>	<i>Strength</i>	<i>Weakness</i>
Materials provide opportunities for students to exchange information with peers and others. (WL – 1.1.B7)		
4	Many chances are given for the exchange of information	
Materials provide opportunities for students to use different ways to express the same idea WL – 1.1.03		
3	Circumlocution chances are given.	More chances could be given (Ex. Ich heiße is often used, M not used at all)
Materials provide opportunities for students to understand and interpret written and spoken language on a variety of topics.		
4	The theme approach to the chapters do allow the students to learn a variety of topics.	
Materials provide opportunities for students to respond appropriately to familiar directions, instructions and commands. (WL – 1.2.B1)		
4	Chances are given.	
Materials provide opportunities for students to identify and use some aural, visual and contextual clues to derive meaning. (WL 1.2.B4)		
4	Chances are given	
Materials provide opportunities for students to identify main ideas and key words in level appropriate speech and print material. (WL 1.2.B7)		
4	Students do learn main ideas and key words for the items studied.	
Materials provide opportunities for students to present prepared material (e.g., poems, dialogues, songs) to audiences. (WL – 1.2.B3)		
3	Many of the prepared material presentations given are skits.	Chances are limited to do new materials or historical/literary
Materials provide opportunities for students to summarize main ideas of selected authentic and/or contextualized materials (e.g., stories, TV commercials) (WL – 1.3.B7)		
4	Zum Lesen sections teach the students to get the main ideas at a level appropriate degree.	
Materials provide opportunities for students to narrate events using some temporal expressions (e.g., tell what they are going to do for their birthday).		
4	Opportunities are given	Chances are limited in the beginning (but do get more as the continues)
Textbook/instructional material is organized according to the natural acquisition of language through function.		
3	3	3

Rating Scale: 0-Not applicable; 1-None of the time; 2 Minimally; 3-Some of the time; 4-Most of the time

Rating	Strength	Weakness
Emphasis is placed on lifelong learning by suggesting uses of the target language for personal enjoyment and enrichment.		
3	Ways that the students can use it for personal enjoyment and enrichments are somewhat addressed	More emphasis should be given. For example, it could be possible for the students could use German to get advanced math, music degrees.
Students are given opportunities to gain knowledge and understanding of other cultures, as well as their own.		
3	The students do gain knowledge and understanding of the German culture	Other German speaking cultures are not heavily addressed
Cultural information is authentic and current.		
3	Realia is pretty authentic	Some of the items are a little old; some of the pictures of the people you wonder where they found these people, as they are not "Germans"
Cultural information reflects the diversity within the cultures (e.g. race, economics, political, social).		
1		Diversity of culture is not addressed in this level
Cultural information is presented in the target language whenever possible.		
2		No cultural information is given in German, but is understood in 1 text.
Material integrates Arts and Humanities when possible.		
3	Arts and Humanities is presented in the Vorschau and in the beginnings of chapters	Often, only names are given. More information is needed
Material provides opportunities for students to develop an understanding of the relationships between the products and perspectives of the culture by students opportunities to:		
Yes	Identify common words, phrases and idioms	Yes Identify social, geographic, political factors that impact cultural practice
Yes	Identify commonly held generalizations about target culture	Yes Identify differences and similarities among same-language cultures
Yes	Identify products, expressive forms, contributions, objects, images, and symbols of target culture	
4	Culture is given	most culture is written out only in teacher edition, more is needed in student edition.
Cultural information reflects the influence of the target culture in the United States and around the world.		
3	Influence from Germany clearly addressed	Current influence not heavily shown.

Rating Scale: 0-Not applicable; 1-None of the time; 2 Minimally; 3-Some of the time; 4-Most of the time

<i>Rating</i>	<i>Strength</i>	<i>Weakness</i>
Content reinforces knowledge of other disciplines through the target language.		
4	4	4
Linguistic connections are made among languages.		
3	Connections are given	Connections are only in teacher edition
Structural patterns are identified in both the target language and the student's own language.		
3	Patterns are shown	
Historical connections are made among languages.		
2		Historical connections in among languages very minimally ac
Materials provide connections with target culture through technology media, and authentic resources.		
4	Many resources given!	

Rating Scale: 0-Not applicable; 1-None of the time; 2 Minimally; 3-Some of the time; 4-Most of the time
